**Exploring Faith and Reason** Bruce Glass  
2012-09 Have you ever wondered if it is possible to be a conservative evangelical Christian and also believe in biological evolution-believe that the Earth is 4.5 billion years old and that human

beings share a common ancestor with not only chimpanzees, but also with mice and even earthworms? In *Exploring Faith and Reason*, you will find that it is not only possible, it is an essential element of how many Christians come to more fully appreciate the complexity and the great glory of God's creation. Of course many people-Christians and non-Christians alike-think that Christianity and evolution are opposing concepts. They perceive several specific points of conflict between them. Bruce Glass addresses each of these concerns by citing Scripture and the world's most respected theologians and by the application of reason. Revealed is a deeper and richer understanding of Biblical Scripture and its history. But most importantly, readers will gain a greater appreciation of the power and the capabilities of a living God that transcends space and time, as this insight is united with the findings of science. Kirkus Reviews described *Exploring Faith and Reason* this way: "Smart, well-informed... lucid, engaging... Glass delivers a superb exposition of Darwinian theory and a meticulous, sharply reasoned discussion of the evidence that supports it. His logic is impeccable when he insists that evolutionary theory does not rule out the existence of God." Tremper Longman III, Ph.D., Robert H. Gundry Professor of Biblical Studies at Westmont College said, "As a non-scientist, I found that *Exploring Faith and Reason* presents an accessible, fascinating, and compelling presentation of evolution. As a biblical scholar, I appreciate Glass' grasp of theological issues and the biblical text. His conclusion that evolution and Christianity are compatible is a crucial message for the church

today." Peter Enns, Ph.D., Professor of Christian Studies at Eastern University said, "Glass has provided a thorough look at the evidence and the processes of evolution, along side a compelling case for its compatibility with Christianity. His theological analysis is very sound as he addresses several of the commonly perceived points of tension between the Christian faith and evolution. For a thorough understanding of these issues, this book is among the very best resources available." Reverend Jordan Ogden, Lead Pastor at Antioch Community Church in Dallas, said: "Mr. Glass tackles a historically controversial topic with finesse. Wherever one may be on the issue of evolution, Glass' superb scholarship and unbiased commentary on issues of faith does not disappoint." Reverend Dr. Kristin Huffman, Associate Pastor at Memorial Drive Presbyterian Church in Houston, said: "Bruce Glass has provided a thought provoking look at the most significant theological issues arising from the advent of evolutionary science. Whatever their conclusions, readers will find Mr. Glass' treatment a welcome reminder of the richness and depth of God's Word, as well as a fresh perspective on God's glorious creation." ForeWord Clarion Reviews described it as, "Well written, thoroughly researched, and honestly fair... The book's thorough and eminently readable scientific explanations provide general science readers with a lucid understanding of this complex subject." Reverend Michael Dowd, author of Thank God for Evolution, endorsed by six Nobel Prize-winning scientists and by religious leaders across the spectrum, said that, "In Exploring Faith and Reason. Bruce Glass has emerged as a fresh voice for the reconciliation of head and heart. Couched in the language and theology of conservative evangelical Christianity, Mr. Glass' book provides a welcomed bridge between an evidential worldview and traditional Christian conviction. Believers and non-believers alike will find much of value in these pages."

**Most Treasured of All** Gayle L. Teague  
 2015-09-23 I intend to leave this book my to children and grandchildren. I hope it is received in the same spirit that I give it. I love every one of them with all my heart. They are all precious individuals, and I am very proud of each one. May God bless them. Times have changed. I miss

the 1940's when things were simple. Today kids are smarter than we were. They are on strange electronic games that I do not understand. I suspect they are addictive and perhaps even harmful, depending on content. The temptations today are many times more problematic than when I grew up. These young people are high-tech, intelligent, and far ahead of me at their age. They are all very smart and are, or will be, well educated. They show signs of becoming very successful in this world. However, my concerns are related to the spiritual side of life and reality. What about life hereafter? Have I prepared them for the next life? I fear I have failed in that regard and I write in order to leave them something about God's word that may take up the slack in things where I have failed. I want to be sure that my kids and grandkids become believing, studious Christians as adults. If there is an afterlife, and I believe there is, it must be of great importance for all so, get ready, I believe we will all have an afterlife. We, in America, are fortunate in that we have freedom of religion and there are churches on every corner teaching the basic principles of our Lord and Savior. My Dad raised me on the bible and denominational doctrine because that's what he knew. He gave me a good start but I have discovered that there is much more to learn than denominational tradition. I believe an open mind is absolutely necessary and denominational training is a closed down system loyal to only one view. I want my children to study God's word. Unfortunately, many churches and church people do not study, but accept a particular traditional doctrine that has been handed down to them. I am now in my late seventies. I am not an academic and hold no degrees in theology. One might say I have a degree in hard knocks, experience, big mistakes, and corrections. I hope that my years of study and faith are enough. After years of doubting, study, research, and prayer I have come to believe that the bible is the most valuable word of wisdom on earth, The Most Treasured of All books on the planet. Very intelligent men and women have tried to disprove the bible but the more they attack, the better the old book looks. It is still the world's best seller. I believe we can base our whole life in this world and the life hereafter on the bible. I intend to convince my children and

grandchildren of that, and I pray they read what I have left them.

#### John Hick's Pluralist Philosophy of World Religions

Paul R. Eddy 2015-06-22 According to John Hick's model of religious pluralism, all the world's great religions present equally valid ways of understanding and responding to the same ultimate Reality. This book offers an exposition of, and critical response to, Hick's model. Following an introductory chapter that surveys dominant approaches to religious diversity, the rise and development of Hick's pluralist interpretation of religions is traced. Finally, a critical assessment of Hick's mature pluralist model is offered. The conclusion: Hick's model is ultimately unsuccessful in overcoming the pluralist's most difficult conceptual problem, namely providing an adequate account of the fact that the world's religions understand the divine Reality in often contradictory ways. Ultimately, Hick's own solution threatens two of his long-cherished goals: a robust religious realism and a tradition-neutral religious pluralism.

**Across the Spectrum** Gregory A. Boyd 2022-08-16 This accessible yet comprehensive primer helps readers understand the breadth of viewpoints on major issues in evangelical theology, with chapters using the popular four-views format. This third edition of a well-received textbook (over 60,000 copies sold) has been updated and revised throughout. It examines positions taken by evangelical scholars on 17 seminal issues. In addition, it offers end-of-chapter "For Further Reading" sections, an extensive glossary, and an appendix that addresses contrasting views on 15 additional issues in contemporary evangelicalism.

**An Expose' of the Holy Spirit** Willie B. White 2009-06 This book takes an in-depth look at the Holy Spirit, His works, His names, and His Emblems. The Holy Spirit is the third person in the Godhead, who operates coequally, coeternally, and coexistently as one unit. The Holy Spirit's activities are (a) He reveals, (b) He teaches, (c) He witness, and (d) He intercedes for us. Additionally, He possesses a relationship with humanity and He can be grieved. The Holy Spirit is eternal, omnipresent, omnipotent, and omniscient. His symbols are (a) wind, (b) fire, (c) water, (d) a seal, (e) oil, and (f) above.

*The Great Procession* Jacob Reeve 2014-01-25 The Great Procession chronicles a series of encounters with the Holy Spirit that Jacob Reeve experienced over the course of nine months immediately following a 40-day fast. During this time, Jacob was awakened almost every night by the Spirit to receive the next portion of an ongoing parable that picked up where it left off the night before. As the story unfolds, so does the contrast between the divisive religious mindset and the mindset of pure identity in Christ. The Spirit is revealing what it looks like for mankind to venture out from the island of isolation and into the open forests of God's Kingdom: hence the Great Procession. For many, this parable will represent a foundational shift in the way everything is seen. The Incredible insights from the Holy Spirit answer many of those deep-down questions about life, purpose, and faith that many of us have, and will prove to be an indispensable resource for anyone who desires to live in a wholehearted, full embrace with Christ, knowing the King and His Kingdom, and living in the true faith, freedom, and love that the Holy Spirit beckons us into.

Encounter Joel Comiskey 2006-10-05 Christ's death on the cross offers victory over bitterness, addictions, occult bondage, and debilitating strongholds. Encounter! Receive Christ's Freedom will show you how to apply Christ's victory to your own life. This book is an excellent resource for someone who is bound by sinful habits or who simply needs to live an abundant life. It explains clearly how to receive the fullness of the Holy Spirit and then to walk in the Spirit's power. It's a great resource to use individually or in a retreat setting. In the back of the book, there's a coach's section to help guide someone else through the contents of this book. Topics include: Repentance and forgiveness; The power of the cross over sin, Satan, and demonic strongholds; How to receive inner healing; Freedom from the fear of death; How to be filled with the Spirit.

**Put Some Shoes on** Rohini Townsend 2017-02-07 Transparency is vital to the building and strengthening of every relationship and every ministry. It allows people to see you as approachable and to feel safer when talking to you. Transparency is a gateway to trust, and trustworthiness is an important quality which

people seek in a good, ministerial leader. They want to know: Is this person trustworthy? Is this person honest? How do I know I can talk to this person without fear of condemnation? It is with this in mind that Rohini Townsend approaches writing, friendships, ministry, and life itself. Her desire to see people healed and whole has led to a candor and openness that is sure to tug at the heartstrings of the despondent. *Put Some Shoes On*, is an emotional and gripping story of one little girl's journey through heartache, rejection, abuse, and turmoil. Chronicling her path from scared child to broken, rebellious teen to powerful, anointed woman of God, the author shares the most intimate moments of her life with refreshing transparency and soul stirring honesty. It is not only a story of past hurts, it is a story of learning, growing and seeking a deeper relationship with God -- the steps and sacrifices that are required for that level of depth and connection to the Father. Raw, poignant, and insightful, *Put Some Shoes On* was written to heal. It was written with your salvation in mind. This is a story of overcoming and, while on that walk, discovering who you are, and more importantly, WHOSE you are. Every step you take was conceived in the mind of the Father to guide you towards recognizing the spiritual gifts He has placed in you. Be not weary in well doing. Do not allow your circumstances to define you. Do not be consumed by trials and heartache. Take your experiences and let God use them to mold you into a powerful Kingdom citizen. Put some shoes on and walk boldly in your Godly identity.

**Anointed for the Market Place** Allan Kiuna  
2016-10-28 Let me begin by saying that our Christian experience must be translated from the four walls of the church and into our day to day lifestyle. It is in the heartbeat of our calling that we should translate the love of God as we pick it up from church and take it to our workplaces. My mandate through this book is to strategically position you into a place of influence in your nation of calling within the marketplace. For a long time the marketplace has remained the reserve of the children of this world. 'The children of this world are in their generation wiser than the children of light' (Luke 16:8). By failing to take our position of dominion in the marketplace, we have put our

God to shame. The name of God has been profaned by many people in this world. Have you realized that anytime you mention that you are born again in your workplace, you encounter ridicule, rejection and even persecution? People have continued to shamelessly talk foul things concerning Christianity and this has to stop. God is saying that He is ready to sanctify His great name that has been profaned. God wants to do this through you. God desires that you prosper in all that you do within the marketplace, and this you must remember is for His purposes. He is not doing it for you to be proud. God is doing it "that they may see and know, and understand together, that the hand of the LORD has done this, and the Holy One of Israel has created it" (Isaiah 41:20). God wants to introduce and establish His Kingdom in the marketplace through you. He will show Himself strong on your behalf for His purposes to be fulfilled in the earth. To many Christians, there has been and there remains to be a great misconception on the perception towards serving God. We see service in the full time ministry position as the only way to serve God. In everything we do, it is important to understand that it is because of the purposes of God that we were created. God is a wise investor and the gifting He invested in you is for the expansion of His Kingdom. God wants to show Himself strong through you. The Kingdom of God is within you and as such, you are supposed to carry it into your marketplaces. It has to manifest through you at your place of work, business and even in your relationships. You should remember that He chose you. You did not choose Him. To quite a number of Christians, business is secular work, whereas serving God in church is the only way to ascribe to ministry. This tendency is so prevalent in the church that many well meaning Christians do their business or work in offices without connecting it to ministry. That is why many Christians have this 'holier than thou' attitude when in church doing the things of God but when they get to their work stations they exhibit lucre luster performances, oblivious of the fact that we are commanded to work as unto God. Many Christians may be concerned with church work and even support it financially, but fail to see the connection between service at their work place and their Christian life. Some even think

that if you really are serious about ministry, you ought to quit your job or give up your business in order to pursue a role in full time ministry. The object matter of this book is to bring every believer to the realization that we all were created for a purpose and that the faster we realize this and take up our positions the better. As Christians we are cut out and mandated to fulfill a specific assignment for God here on earth. Our mission is to honour God in our service by extending His will to all our activities.

**Nothing to Hold But Hope** Jennifer Kostick  
2014-06-27 Two things can happen through grief: we can become comfortable with it, allowing it to become an unwanted companion, or we can let hope rise. The latter is anything but easy; it's a journey. In *Nothing to Hold but Hope*, Jennifer Kostick takes us through her real life struggle of pain, telling us the story of her fifteen-year battle through miscarriage, stillbirth, and secondary infertility. She invites us to walk with her through the desert of grief while searching for hope. Throughout each step, Jennifer paints a candid portrait of what the battle of grief looks like, while providing encouragement for the weary heart along the way.

**The Healing Companion** Glynda Lomax  
2016-09-20 Have you struggled with the promises of healing in the Holy Bible, not understanding why you could not make them yours? Have you, like me, tried reading, listening, confessing, and everything else you can think of, only to fall back into sickness again? Would you like to learn the truth about Biblical healing, once and for all, in a way that is understandable and easy to apply to your own life? Walk with me through my healing journeys and learn what God taught me about healing as I struggled to understand, and came out healed from every effect of a hemorrhagic stroke that nearly killed me. \* Learn the steps to healing, and why they MUST be done in order \* Learn why you confess over and over that you are healed and you still do not see the manifestation

**Freedom Bargains** Rev Joshua S. Boateng  
2017-09-19 In our Christian walk in this world, we are always presented with choices and subtle offers that can appear appealing. However, we often ignore the small print, either deliberately, or through ignorance. Interestingly, the

Israelites, faced similar offers, as they 'negotiated' with Pharaoh for their freedom from slavery. *Freedom Bargains* explores five subtle offers usually presented to us as alternatives to God's ideal of real and total freedom. It provides lessons from the wisdom of Moses and his attention to detail, in avoiding these subtle traps (schemes), intended to keep believers in perpetual bondage and also provides vital biblical keys for walking in complete freedom. The book details the need to be alert to our life's purpose as spelt out by God, in being able to navigate past all the traps that are intended to trip us into living life below the level God intends for us. It encourages and challenges believers to re-examine God's original intention for setting us free. It encourages us to be alert to and remain steadfast in the liberty with which we have been set free and to let this be manifest in all areas of our lives. The book is written in a contemporary, conversational style with real life (personal, family, social and political) examples which speaks to current popular and social culture and makes it easily accessible to those new to engaging with the Bible as well as more mature believers. This notwithstanding, the book's message is strongly biblical and culturally informed. The chapters include contemporary real-life stories and quotations from a wide spectrum of well-known Christian and political leaders, which will make it easy for most readers to identify with. It is my desire for you to believe again that you can walk in complete freedom in all aspects of your life and to go ahead and live it. Above all, I desire that all believers will rise up and be outward looking to impart their freedom found in Christ, to other people in their various fields of endeavor.

**The Megachurch Book** LaDonna Carter  
2012-06-11 *The Megachurch Book* juxtaposes the way of the scripture to the way of the modern day church, particularly the megachurch. A broad range of subjects are explored including church membership, lavish buildings, dual church locations, the absence of men in the church, neglect of community, the corporate orientation of the megachurch, the tax exempt charter, and many more intriguing topics. The book primarily focuses on trends and practices that are found in African American community based megachurches. Certain topics

are written in prose and biblical metaphoric style for greater impact. The more biblical versed a reader is, the more the book will resonate. In order to accommodate various levels of biblical familiarity, the author includes a Discussions and Supporting Scriptures section at the conclusion of each topic. The Megachurch Book was written to open dialogue, invoke discourse, and inspire church attendees to not only consider the appropriateness of certain megachurch practices, but to also question such practices.

Breaking Pride Heather Bixler 2012-03-08 So many of us desire freedom - the freedom that is promised to us when we decide to follow Jesus. The freedom from the burden of our sin, the need to be "good enough," anger, jealousy, and envy. Even though we are believers we would be ashamed to say that we don't always experience peace, contentment, and joy in our life. We are looking for the grace that God has so graciously given to us to be real in our life... Breaking Pride is an eBook based on one simple truth: In order to walk in God's grace we need to tear down the the walls of pride. A lot of believers, even though saved by God's grace, are still walking in pride rather than walking in His grace. Knowing what pride is and learning to identify pride in your life is the first step to overcoming a life filled with pride. Pride is rooted in fear and leads to anger, jealousy, and envy. Sin isn't keeping us from having a relationship with the Lord, it's our pride. So many of us long to have an authentic and REAL relationship with the Lord, and we long to have the fruit of the spirit filled in our heart. Our desire is to achieve these fruits through will power. But we do not even realize that the pride that lives within our heart is what is blocking the fruit of the spirit from living within us. In Breaking Pride you will learn to identify different areas of pride in your life. Filled with encouragement, Breaking Pride will take you through a practical reading of what pride may look like in your life... Let's stop building walls of pride and start building the foundation of grace within our lives...

**The Nature of the Atonement** James K. Beilby 2009-09-20 James K. Beilby and Paul R. Eddy edit a collection of essays on four views of atonement: the healing view, the Christus victor view, the kaleidoscopic view and the penal

substitutionary view. This is a book that will help Christians understand the issues, grasp the differences and proceed toward a clearer articulation of their understanding of the atonement.

Can We Still Believe the Bible? Craig L. Blomberg 2014-04-01 Challenges to the reliability of Scripture are perennial and have frequently been addressed. However, some of these challenges are noticeably more common today, and the topic is currently of particular interest among evangelicals. In this volume, highly regarded biblical scholar Craig Blomberg offers an accessible and nuanced argument for the Bible's reliability in response to the extreme views about Scripture and its authority articulated by both sides of the debate. He believes that a careful analysis of the relevant evidence shows we have reason to be more confident in the Bible than ever before. As he traces his own academic and spiritual journey, Blomberg sketches out the case for confidence in the Bible in spite of various challenges to the trustworthiness of Scripture, offering a positive, informed, and defensible approach.

**Strings of Faith** Terry Stafford 2016-10-04 Is it possible to experience joy made full? This story is one of heroic recovery. Darcy's sights are firmly set on winning The National Oldtime Fiddle Contest in Weiser, Idaho. She barely gains traction with her quest when tragedy strikes.

Four Views on the Spectrum of Evangelicalism Kevin Bauder 2011-10-04 Understand the history, core values, and divisions as they've developed within the Evangelical Christian movement. Four Views on the Spectrum of Evangelicalism compares and contrasts four distinct positions on the current fundamentalist-evangelical spectrum. Each contributor offers their case for one of four primary views: Fundamentalism - defended by Kevin T. Bauder Conservative/confessional evangelicalism - defended by R. Albert Mohler Jr. Generic evangelicalism - defended by John G. Stackhouse Jr. Postconservative evangelicalism - defended by Roger E. Olson Each author explains and defends his position, which is critiqued by the other three authors. The Counterpoints series presents a comparison and critique of scholarly views on topics important to

Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.

**Love and Grace** Jacob Stringer 2015-07-07

**Daybreak Over Ecuador** Richard Reichert 2016-02-21 Daybreak over Ecuador is a historical narrative of the first protestant foreign missionaries to attempt to enter Ecuador after the lessening of religious control in the country. Ecuador was the last Latin American country to open its doors to protestant missions. Those who dared to come faced hostility and deprivation. This is the country where a native indigenous person had to apply for permission to dress like a Spaniard, and an Ecuadorian was not a citizen if he was not a Catholic. Here is where a customs official boasted that "as long as Mount Chimborazo stands the Bible will not enter Ecuador." It was not until 1895 that foreign missionaries were allowed on its soil. This is the story of some of those people. It is a tribute to the faithful men and women who risked their lives in order to establish the evangelical church in Ecuador. There are stories of persistence and meagre beginnings in some of the most isolated places till a national church arose that is today a formidable missionary force in its own right. It is the story of the people who came, and who came to stay. Ecuadorian writers who understood the milieu into which they were coming provide the historical backdrop for the story. The book foreword is written by the president of the Ecuadorian confraternity of evangelical churches, Eduardo Lopez who says that "AS EVANGELICAL CHRISTIANS IN ECUADOR we ought to be grateful to God for the life and testimony of the first missionaries who came to our nation for the solitary purpose of sharing the Gospel of Christ with Ecuadorians. Daybreak Over Ecuador transports us by way of its pages to an understanding of the life and testimony of these men and women of God, as well as of the events that signalled important milestones in the advance of the missionary enterprise in Ecuador." Daybreak over Ecuador is a primer to understanding evangelical mission effort in Ecuador. There is a serious attempt to set the religious context of the book. Rather than a comprehensive account it is anecdotal and

selective. It touches on the original individuals who came, highlighting instructive moments in their careers. Three representative figures form the centrepiece dedicatory. The second half of the book traces some of the attempts to engage the populace with the Gospel in different spheres of endeavor. The resulting national church becomes a watershed mark in 1945. From there the mission family expanded exponentially and the resulting growth pains of the church are noted as missions organizations navigated the landscape. The author is a career international worker who himself lived and researched the stories in the course of his journey and experience as a missionary. As a participant in the drama he offers insights and insider perspective on what was happening and had access to C&MA mission files during the investigation. Daybreak over Ecuador is part of his journey and is a tribute to the men and women of the Gospel Missionary Union, the Christian and Missionary Alliance, and many others who spent their lives in the face of great opposition to establish the evangelical church in Ecuador. The fierce fanaticism of the times was matched by the steadfast defiance of the early pioneers. Theirs are stories of loneliness and loss, isolation, persecution and tragedy. There are also stories of perseverance and meagre beginnings in some of the most isolated places till a national church arose that is today a formidable missionary force in its own right. These are the stories of ordinary foot soldiers who are honoured today as heroes of faith because they constructed the footholds and built the beachheads on which the church today stands."

*Across the Spectrum* Gregory A. Boyd 2002-06-01 Evangelical thinkers in recent years have thrust differing and sometimes nontraditional views on the doctrine of God, the composition of the human person, and the nature of hell into the spotlight. *Across the Spectrum*, written by Bethel College theologians Gregory Boyd and Paul Eddy, offers a service to the church by carefully examining the various positions taken by evangelical scholars on eighteen seminal issues--both classic concerns and those of more contemporary interests. Rather than taking sides, however, the authors give readers the resources they need to make up

their own minds. Among the many topics discussed are baptism, the nature of the self, the foreknowledge and providence of God, the interpretation of Genesis 1-2, the destiny of the unevangelized, and the nature of hell. In the spirit of the popular four-views books, Boyd and Eddy carefully lay out the biblical, theological, and philosophical arguments for each position and then discuss possible objections. Each chapter also includes a bibliography. A helpful appendix touches on nine additional issues. *Across the Spectrum* will surely be an indispensable resource for students, professors, pastors, and anyone who wants to make sense of the issues facing today's church.

**The Last Seven Pages** James Pinnick 2014-04  
When a ventilator prevented her from speaking during her final hours, Jennifer started writing. After her death, her husband turns to those pages to tell her story of courage and faith. James had just walked through the door after a day's work when Jennifer told him the news that changed everything: it was cancer. In the following two years they would lose their sense of normalcy and their dreams for the future. But along the way, they would gain something even greater than their loss. Told through the eyes of a grieving husband is this true story of a young woman's fight for her life. Jennifer's final words, penned by hand when a ventilator prevented her from speaking, provide a powerful backdrop to this journey of faith and hope. A memoir that also offers a practical pathway for those struggling with loss, *The Last Seven Pages* is a testimony of a God who is present in our darkest moments, and who turned a devastating illness into a life-changing promise.

**Revelation** Phillip J Silvia 2018-09 This book is a study guide on Revelation designed for individual and group study

**Faith** Daniel Jennings 2015-08-01 What do we do when life goes completely contrary to the way we feel it should? How do we handle life's disappointments, heartaches and let downs? All people suffer but not all respond appropriately to their sufferings. For some, suffering turns to bitterness and unforgiveness towards God. For others it turns to despair and, sometimes, even suicide and we are led to ask the question how does one handle the big (and small) setbacks, hurts and disappointments

that we all experience. In 2012 the author entered into a season of suffering unlike any he had experienced before and found himself faced with many questions for which he had no answer: Where was God? Why had He abandoned him? What should he do? Who can help? As he journeyed through the darkest night of his soul he discovered a way of looking at life that not only made sense of the suffering he was experiencing but also helped him to see suffering in a way he had never seen it before as he looked at it through the lens of faith. In this book the author provides hope for every hurting soul, demonstrating that no matter how hurtful your situation has been, there is good behind and in it and though you may have felt like God was nowhere to be found He was there with you all of the time.

**Across the Spectrum** Gregory A. Boyd 2009-09-01 This accessible yet comprehensive primer explores the breadth of viewpoints on major issues in evangelical theology by examining positions taken by evangelicals on seventeen seminal issues. The second edition retains the helpful features of the first edition and adds an appendix that addresses thirteen peripheral issues in contemporary evangelicalism. Praise for the first edition "The authors do what no book on the market does: In one volume they faithfully present divergent views on the crucial issues that divide evangelicals, and they do so in an unbiased, succinct, and lively manner. This book is perfect as a supplemental text in an introductory theology course or as a manual for church study groups. It will help everyone arrive at his or her own conclusions within the parameters of the evangelical tradition."--Dennis Okholm, Azusa Pacific University "Across the Spectrum succeeds with distinction in at least two respects. First, it represents a very useful tool for those who wish to begin grappling with different approaches to difficult theological problems. The book will be most helpful to beginning students in evangelical theology, the target audience. Second, the work presents various perspectives in fair and unbiased tones. . . . If used with care, it will repeatedly reward the reader with its fair and even treatment of different theological views."--Nathan D. Holsteen, Bibliotheca Sacra "I've been waiting

for this book for some time. Due to its brief, nontechnical format, it can be used in a variety of ways in undergraduate theology courses. Although a concise volume, it succinctly outlines multiple arguments, both pro and con, for (incredibly!) over two dozen issues in disputed, largely non-fundamental areas of doctrine. The professor can present positions in favor of particular views or leave the issues open. It's settled--I'm requiring it!"--Gary R. Habermas, Liberty University "A collective sigh of relief will arise from the evangelical student body when it discovers this book! It helpfully and critically surveys the many legitimate evangelical theological options and convincingly demonstrates that there is no single authentically evangelical viewpoint on a wide range of controversial issues. It constitutes a small library between two covers."--Roger E. Olson, George W. Truett Theological Seminary, Baylor University

**Am I an Antisemite?** Chas E. Coughlin  
2016-05-12 Properly, while I endeavor to expound the principles of Christian social justice, I shall also endeavor to show you how these principles can be applied. And just as properly, it will be my hope to bestir you to action-Christian action, American action-for faith without good works is dead. Thus, at the outset, while I am deeply grateful to everyone of you for, the heroic sacrifices you have made, and will make, to keep me on the air over this independent chain of radio stations, may I ask you for one more favor today-the favor of a prayer to the Holy Ghost. I beseech all of you to ask the spirit of understanding to fill me with prudence; and the spirit of fortitude to give me strength and courage to carry on the battle against the hidden powers of darkness-perhaps not quite so hidden today as yesterday. May I also suggest that you will ask your little children who are ignorant of the causes of poverty, wretchedness and exploitation-may I suggest that you ask these innocent children to whisper a prayer for one who fully recognizes how unworthy he is but who fully realizes what a golden opportunity God has given to him to be an instrument for good. You are anxious to know what topics I shall discuss during the ensuing year. Roundly speaking, it is my hope that these addresses will be concerned chiefly with

Christian social justice. While my ultimate objective is to help more and more men to save their immortal souls, I recognize how difficult it is for man to practice Christian virtue, to live a holy life in peace and contentment, when he and a great group of his fellowmen are denied unjustly an equitable share in the goods and wealth of this world-goods and wealth which our common Father in heaven bestowed upon all men for all men to use and enjoy-goods and wealth, which, alas, have been concentrated in the hands of a few to the detriment of the many because an un-Christian species of social injustice was foisted upon us in the past few centuries and because, as a result of this, an alien philosophy of social injustice, under the name either of Communism or Naziism, is endeavoring to win our allegiance today. Fearlessly, Christian social justice challenges these several systems for the attention and the support, in this instance, of the American public-a public composed of persons who, despite their many faults and shortcomings, will never surrender the heritage of Bethlehem, of Pilate's hall, of Calvary Hill or of the Easter morning sepulchre from whose empty depths there echo and re-echo the immortal words, "I am the Resurrection and the Life." Fortified with these precious heritages it is our hope to carry on a campaign of instruction and inspiration even though we find ourselves opposed by the rugged individualists on the right and by the unchristly radicals on the left. It is our hope to convert a zealous band of followers into a group of active Christians-. Christians who, by the sincerity of their lives and the logic of their doctrines shall win millions of followers who are convinced that there is no way other than Christ's way for saving America and restoring prosperity and peace for all. My friends, at the outset, permit me to clarify the fundamental doctrine of Christian social justice-the doctrine that differentiates it from every other plan of life proposed for man to follow. It is this: Christ came on earth not only to redeem and save individuals but also to establish an absolutely new social order. Recognizing the chaotic condition of society in His own time; aware of the universal slavery practiced virtually by every nation; and conscious of the spiritual darkness which had encompassed every kingdom, empire,

republic and tribe, our Saviour well understood that man, left to his natural abilities, was unable to acquire peace and prosperity in this world and save his immortal soul in the hereafter.

*I, Church* Brett Fish Anderson 2015-01-15 "It was the best of church, it was the worst of church..." [not Charles Dickens] In some ways, the church has a horrendous track record and is deserving of much of the hate, accusation and mistrust it has received. But, in many other ways, the church has also been monumental in affecting great systemic change, being first on the scene in crisis and on the forefront of reaching out to and loving well those considered the least of these. To those of you who believe church is the worst thing ever: You're right! To those of you who believe church is the best thing ever: You're right! The church was God's idea and it is the plan He has chosen to bring transformation to a world desperately in need of a deeper experience of His love. He doesn't appear to have a plan B. We are it! I call this book, 'i, church' because more than a building or a meeting or a list of do's and don'ts, the church is about the people. It is about me. And it is about you. If you love Jesus and have chosen to follow Him, then you are the church. Let's figure out together how to be the best church we can be. "Brett Anderson weaves a picture of the church that is stark and real. He sees through church politics and denominational blinkers and defines the core of what the church is and isn't and what God desires it to be." [Bruce Collins, legend and appreciator of good coffee]

**The Road to New Life** Phil Rehberg 2010-08 Finally! The ideal guide through the process of salvation, fully explained. Written for non-Christians and nominal Christians. Excellent for teaching leaders and lay people how to explain the gospel. Engaging style, reflection questions and practical prayers make it the perfect tool. Hidden Mountain, Secret Garden Anthony Lynn Lilles Std 2012-11 "Hidden Mountain Secret Garden: a theological contemplation on prayer" helps the reader discover the riches of mental prayer in the Catholic Tradition. In fact, the images of the "Hidden Mountain" and the "Secret Garden" are ancient metaphors for contemplative prayer, a kind of prayer that begins and ends in faith. This book is especially for those whose prayer is a search for the loving

eyes of One who has conquered death. This kind of prayer beholds the wonder of Christ's living but hidden presence in one's highest thoughts and most noble aspirations as well as in one's instinctual urges and deepest longings. The ecstasy of this kind of prayer extends beyond even the vast unexplored horizons of the human heart and opens to an immensity of such excessive mercy that all else is forgotten -- and only love remains. The whole world needs this love: it is the secret garden, the hidden mountain, the inexhaustible riches only prayer knows and an excess of grace only prayer can make known. This is why Blessed John Paul II told the Church not to be afraid to open wide the doors of our hearts to Christ and it is why He told the young people of the world to be proud to proclaim the Gospel of the Lord. For those brave souls who have faithfully open their hearts to the Lord through this discipline of this kind of prayer, every Christian owes you a debt of gratitude. For those who want to join them, this work encourages you along the way -- for the journey you endeavor is at once the most perilous, the most heart-rending and the most wonderful adventure this world has ever known. "Dr. Anthony Lilles has authored an introduction to prayer that is inspiring and encouraging. For those desiring to pray this is a resource that is full of practical advice - written simply and attractively. This book bears the mark of a man - husband, father and teacher - who is not only imbued with the wisdom of the Saints, but who has also, through his own prayer, learned how all of us can, through prayer, foster faith in and love for Jesus and his Gospel." THOMAS G. WEINANDY, O.F.M., CAP. Executive Director for the Secretariat for Doctrine United States Conference of Catholic Bishops This is a wonderful book. I've taught spiritual theology many years and I wish I had had this text use. In fact, I wish I had written this book. It is scriptural, patristic, historical, theological, mystical, experiential and user friendly. Dr. Lilles takes us through the spiritual journey of prayer, citing Fathers and doctors, saints and even sinners to guide us on our Christian way toward contemplation. Weaving many themes into a harmonious whole, he opens up the life of contemplation for all Christians, our baptismal birthright in a way that is accessible and

attractive. This is a book one will read more than once. FR. GILES DIMOCK, O.P., S.T.D University Parish of St. Thomas Aquinas At the University of Virginia In this book we find the real meat of the new evangelization. The church in America will not be renewed by "facts about Jesus" but only through one's choice to let Christ reach the heart and change it from within. It is an ancient message received by only few: Do not be afraid of letting go of what now defines you. Let Christ tell you who you are. Dr. Lilles is one of the ablest guides to lead us through to such a choice. Will I stay with knowledge about Jesus or will I enter the garden of prayer and finally come to know Him!! Do not be afraid to be loved, read this book. DEACON JAMES KEATING, PH.D, Institute for Priestly Formation, Omaha, NE Understanding Evangelicals David Jeffers 2006-08-01 "Understanding Evangelicals: A Guide to Jesusland" encourages and challenges evangelicals to put their faith to work in the marketplace of ideas to bring about positive change in America.

*Listening to the Voice* Martin D. Powell 2017-08-15 Do you want to hear God's voice more clearly? Through testimonies, bible studies, and exercises Dr Martin Powell demonstrates a life led by the Holy Spirit. Testimonies - providing encouragement and practical insights into listening to God. And they overcame him by the blood of the Lamb and by the word of their testimony, and they did not love their lives to the death. (Rev 12:11 NKJ) Bible Studies - Impactful studies of God's Word, focussing on the heroes of the Bible who found success by listening to the Voice of God. Exercises - simple steps to learn and grow in the intimacy of hearing 'His Voice'.

**Made for More** Bobby Benavides 2016-11-21 We have all asked the questions, "Who Am I?", "Where Am I?", and "What Am I?". In MADE FOR MORE- A Journey of Purpose and Discovery, the reader will maneuver through these questions in order to understand the larger picture for their life. The ultimate goal is to lead the reader to understand they are made for a great purpose through Jesus. Through God and the message of hope found in scripture, the reader will discover they are truly Made For More.

**Things to Come** Tom Newman 2017-05-27 Initially it was not my intention to write a book, I was just looking for answers. Answers to questions I had after my involvement as an infantry paratrooper with the 101st Airborne during the Vietnam War. And my life after death experience after I was stung by Giant Black Wasps went into anaphylactic shock and flat lined. I suffered a cardiac arrest and complete repertory failure. I was later able to relate procedures the medical staff used to resuscitate me while I was dead. I don't have to wonder about life after death, I know. Things To Come will give the reader a thorough understanding of what the Bible says and what Christianity means for a believer. The book is divided into six sections; The Covenants, covers God's Covenants, His chosen people and God's will for mankind. The Holy Spirit, whom the Father sent to us after Christ's ascension, details the twelve current ministries of the Holy Spirit in our lives. The Prince of Darkness explains Satan's role in everyday life. Satan is not omnipresent so he cannot possibly involve himself in the daily affairs of eight billion people. God's Providential involvement in everyday life is revealed in the 4th chapter. The Tribulation and the Rapture addresses the final eventual battle between good and evil; Christianity and Islam. The final chapter The Alpha and the Omega specifies the personal relationship a believer has with Christ. Things To Come is a very good book for anyone that desires a deep understanding of Scripture and either does not have the time for daily reading of Scripture or finds the Bible hard to understand. A word about

PTS (PTSD), there is no D, PTS is not a disorder. PTS is natural reaction of stress experienced after a person is exposed to a traumatic event. Many people suffer from PTS, it can be the result of a rape, an assault, the loss of a spouse, a child, a sibling, witnessing a horrific event or an accident. What makes PTS different for soldiers is that they are subject to frequent traumatic events over a long period of time. People respond differently to traumatic events, some are more resilient than others. Frequency, duration, and the extreme nature of the event all play a role in recovery. A major component of PTS is the moral dissonance we experience. The event can completely destroy our belief system, the ideas we held that made sense of the world we live in. At any point in time we are a summation of what we know and the experiences we have gone through. Events and information change how we see the world and in effect change who we are. A traumatic event can be so life changing that we are in effect a different person and after a traumatic event, the new you. In order to recover from PTS, it is imperative we reconstruct a new belief system that encompasses our new reality and the new you. In *Just War, I* (Tom Newman) recount the events that destroyed my worldview and fundamentally changed the person I was. The Company I was with in Vietnam experienced a 97 percent casualties and fatalities. Within my first 30 days in country we had a friendly fire incident that killed eleven and severely wounded nineteen of my fellow troopers. I also witnessed the aftermath of the regular assassination of four year old children. Additionally, when we retook the city of Hue we found the shallow graves of 2,800; judges, doctors, clergy, policeman, and politicians, anyone that could organize a resistance against the communists. It was a very long process for me to make sense of my new realities and the new me. My other book; *A Brief History of the Bible' Things To Come*, is the information I needed to reconstruct a new worldview bases on my experiences and the new person I had become. If you want to get your life back after suffering from PTS, it is imperative you find a new worldview for the new you.

[Biblically Sound](#) Evan Lenow 2014-08-09  
Studying doctrine for the Christian often feels

like watching a construction crew build a foundation. There seems to be a great amount of activity, but the results don't appear visible. Just like the foundation is essential for the stability of a building, studying theology is crucial to the long-term stability of the believer. The goal of this study is to provide you with the basics of biblical doctrine to make sure your foundation is sound. At times this will feel like the difficult work of laying an unseen foundation for a building. At other times, however, it will feel like we are soaring to great heights as we explore the breadth and length and height and depth of our faith. During the course of this study, we will consider the questions: Why study theology? Who is God? Who am I? What is the church? Where do I go when I die? Why do other people believe differently?

*Classical Christian Doctrine* Ronald E. Heine 2013-03-15 This clear and concise text helps readers grasp the doctrines of the Christian faith considered basic from the earliest days of Christianity. Ronald Heine, an internationally known expert on early Christian theology, developed this book from a course he teaches that has been refined through many years of classroom experience. Heine primarily uses the classical Christian doctrines of the Nicene Creed to guide students into the essentials of the faith. This broadly ecumenical work will interest students of church history or theology as well as adult Christian education classes in church settings. Sidebars identify major personalities and concepts, and each chapter concludes with discussion questions and suggestions for further reading.

**The Door Is Open** Andrew Cort 2012-05-01 "A wondrous, sparkling fusion of wisdom and insight." - Patricia Santhuff What do the wonderful myths of ancient Greece, the beautiful stories in the Bible and Qur'an, and all the sacred stories from traditions around the world, have in common? They open our hearts to wonder, mystery, passion, and joy. I know, on the outside these stories seem very different, confusing, conflicting, and often violent and divisive. But when read symbolically and internally, they are all telling the same story. They show us the path of spiritual awakening and enlightenment. Sometimes the story is called "Returning to the Promised Land."

Sometimes it's called "Seeking the Holy Grail." Sometimes it's called "Persephone's Return to Olympus." But whatever it's called, the inner meaning and purpose is always the same. The stories are all a call to awaken, to live passionately and consciously, and to enter the door that leads to enlightenment and communion with the divine. The door is always open. The light is always ready to receive us. But we have to learn how to tread the path!

Fortunately, that's what all the sacred stories are really about. THE DOOR IS OPEN uncovers the 7 Universal Steps that are found within the symbols and allegories of all great mythology and scripture. Each chapter ends with a series of practical and enjoyable spiritual exercises and activities. You can do this work on your own, or together with a group. It could be a church or synagogue group, a book club, a classroom, or any group of friends who want to get together and expand their spiritual horizons.

Why Are We Losing the Kids? Sandra M. Platt  
2017-03-26 I found this book on Bookbub, and am thrilled with what I've read. I wish every Christian would read it--especially every pastor and leader. My husband (who is a pastor) and I had already come to these conclusions before I found this book, but it gives me great hope that others are seeing the same disastrous problems. We have created a "monster" that we call "church" which little resembles the New Testament kind, and people are fleeing it. For all the promise of the "contemporary" style church, it isn't really much better. The church is failing to make disciples and failing to make any real impact in the culture, and it's all because we have failed to make authentic (true) converts. It's that simple. It's easy to make a disciple of someone who has been truly converted. Otherwise, with our usual crop of "decisions," it's like pushing a rope to get any serious commitment or Christlikeness out of them. The Bible says that Jesus is the Door, but to be brutally honest, the only way through that Door is to crawl--in repentance, submission (brokenness), and faith. We are no different than the church of the Middle Ages that baptized

babies for salvation, leaving millions of people still in their sins. There isn't really any such thing as "a church for the unchurched" as many like to claim today. We should be the church of the redeemed, but we have become a church of the unsubmissive, unrepentant, unconverted, uncommitted, and unfaithful. And it all goes back to one thing--real salvation thru real repentance and real faith in Jesus Christ."-M.J. Freeman ..". thought provoking book showing true believers in Jesus Christ the need to examine the methods we are using to evangelize our children... the author backs up all of her writing with scripture, the true Word of God." - Alicia Canner " ...Wow what an eye opener, it opened my eyes to the real meaning of being born again. Not only a book to help with the youth but for everyone..."-Malinda Zemrose As Christian women, there is probably nothing more heartbreaking than seeing our children turn from God. We spend thousands of dollars, and sacrifice countless hours to VBS, Bible clubs, Youth outings, Church camp, and children's parties every year. We build elaborate stage sets, plan fantastic carnivals, and youth extravaganzas and bus in all the children and teens we can find in the hopes of leading them to Christ; and yet we are still losing them. We see the grown-up children, the "fruits" of our outreaches, living as practical Atheists. They walk and talk and act like the world, even loving the world, and though they claim to be saved, evidence of life in Christ is conspicuously absent. Even our own children are abandoning the faith. They have asked Jesus into their hearts and yet we see them turn from God at staggering rates. Statistics show that no less than half have turned from God by High School age and closer to two thirds by the time they finish college. What we're doing is just not working! In Why Are We Losing the Kids? You'll see where we have gone wrong and where to go from here. - We can turn the tide on our failing ministry efforts! - We can share the gospel without creating false converts or backsliders! - We can keep the kids if we'll follow God's plan! The Bible has the answers if we're willing to hear them!
