Arbitration Law of Canada J. Brian Casey 2012-06-01  
*Arbitration Law of Canada* provides the busy lawyer and arbitrator with a handy day to day reference work. This is a comprehensive

treatise on the law and practice of arbitration in Canada. The text covers all aspects of commercial arbitration: when to choose arbitration; how to draft an effective arbitration clause; how to choose an arbitrator; the legal and practical aspects of arbitrating in Canada under both the UNCITRAL Model Law as well as domestic legislation, and enforcing awards in Canada, regardless of the jurisdiction in which they were made. The book covers arbitration law in all the Canadian Provinces. It is not only a definitive legal text, but has been designed and organized to be a handy reference text for arbitration practitioners. The second edition includes a revised and expanded index, a complete index of cases, and a number of additional "practice notes". The chapters dealing with court involvement in arbitration, challenges and recognition of awards, have been extensively revised to take into account the numerous court decisions released since the last edition.

*Model Rules of Professional Conduct* American

Bar Association. House of Delegates 2007 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

one-semester format. The text is structured so that five chapters on contracts form the nucleus of the course, and the balance provides stand-alone sections that the instructor may choose to cover in any order. We've made the design more reader-friendly, using a visually-appealing four-colour format and enlivening the solid text with case snippets and extracts. The result is a book that maintains the strong legal content of previous editions while introducing more real-life examples of business law in practice.
