Sofie & Cecilia Katherine Ashenburg 2018-03-27 A surprising, rich and beautiful novel about women's friendship, from bestselling author Katherine Ashenburg. In *Sofie & Cecilia*, beloved non-fiction author and journalist

Katherine Ashenburg draws upon her formidable skill and maturity as a writer to craft an extraordinary and splendid debut novel. This is the story of a lifelong female friendship, set in the fascinating art world of Sweden between 1900 and 1940, just as modern art and

the beginnings of the Scandinavian mid-century modern design movement were inspiring a creative revolution across northern Europe. Loosely based on the lives of celebrated artists Carl Larsson and Anders Zorn ("Nils Olsson" and "Lars Vogt" in the novel), Ashenburg transports us behind both the public and domestic scenes--and canvasses--of these larger-than-life men to reveal the lesser-known but equally astounding and rich stories of the women who married them: restlessly creative artist-in-her-own-right Sofie Olsson, and fiercely private and intelligent curator Cecilia Vogt. Here is a gorgeous gem of a book: surprising, unique, layered with insight into the nuances of female friendship as it stretches, changes, and deepens in unexpected ways over a lifetime. Woven effortlessly through this tapestry, like a beautiful motif, is absorbing detail about Scandinavian painting, design, and textile work; European history and sexual politics; the country life, city salons, vibrant

art, and folklore of Sweden; and the secrets and challenges of bright, talented women juggling marriage, career, individual aspirations, and family life inside an artist's household in the early twentieth century.

A Beauty Connie Gault
2015-02-10 A spellbinding and highly original novel that gives a new name to the Prairie Novel by one of the most exciting new literary voices in Canada. For readers of Alice Munro, Elizabeth Hay, and Marina Endicott. In a drought-ridden Saskatchewan of the 1930s, self-possessed, enigmatic Elena Huhtala finds her self living alone, a young Finnish woman in a community of Swedes in the small village of Trevna. Her mother has been dead for many years, and her father, burdened by the hardships of drought, has disappeared, and the eighteen-year-old is an object of pity and charity in her community. But when a stranger shows up at a country dance, Elena needs only one look and one dance before jumping into his Lincoln Roadster, leaving the town and

its shocked inhabitants behind. What follows is a trip through the prairie towns, their dusty streets, shabby hotel rooms, surrounded by dry fields that stretch out vastly, waiting for rain. Elena's journey uncovers the individual stories of an unforgettable group of people, all of whom are in one way or another affected by her seductive yet innocent presence. At the centre is Ruth, a girl whose life becomes changed in unexpected ways. She and the girl Elena, distanced and apart, form a strange bond that will come to haunt the decades for them both. Written in luminous prose, threaded through with a sardonic wit and deep wisdoms, *A Beauty* is at one time lyrical and tough, moving and mysterious, a captivating tale of a woman who, without intending to, touches many lives, and sometimes alters them forever.

London Was Ours Amy Helen Bell 2008-03-07 For the nine months of the Blitz, London was subjected to a brutal and indiscriminate bombing

campaign, aimed for the first time in history at shattering the resolve of a nation. The Nazi raids on night-time London provide some of the defining narratives of World War II: the 'blitz spirit', air raid shelters in Underground stations and all the horrifying reality of one of the world's most powerful and historic cities under violent attack. This book tells the epic story of a London under siege through the voices of those that lived it. Amy Helen Bell here uncovers the personal stories of hundreds of Londoners from all walks of life, who scribbled in diaries and notebooks from inside air raid shelters and bombed-out houses to record their experiences of the Blitz. Expertly weaving these together, drawing out themes of loss, courage and love, what emerges is a thoughtfully argued and beautifully composed commentary on Britain's collective memory of one of the great conflicts of modern times. By letting the warmth, despair and hope of these personal recollections speak, *London Was Ours*

The Cat's Table Michael Ondaatje 2011-10-04 In the early 1950s, an eleven-year-old boy in Colombo boards a ship bound for England. At mealtimes he is seated at the "cat's table"—as far from the Captain's Table as can be—with a ragtag group of "insignificant" adults and two other boys, Cassius and Ramadhin. As the ship makes its way across the Indian Ocean, through the Suez Canal, into the Mediterranean, the boys tumble from one adventure to another, bursting all over the place like freed mercury. But there are other diversions as well: one man talks with them about jazz and women, another opens the door to the world of literature. The narrator's elusive, beautiful cousin Emily becomes his

confidante, allowing him to see himself "with a distant eye" for the first time, and to feel the first stirring of desire. Another Cat's Table denizen, the shadowy Miss Lasqueti, is perhaps more than what she seems. And very late every night, the boys spy on a shackled prisoner, his crime and his fate a galvanizing mystery that will haunt them forever. As the narrative moves between the decks and holds of the ship and the boy's adult years, it tells a spellbinding story—by turns poignant and electrifying—about the magical, often forbidden, discoveries of childhood and a lifelong journey that begins unexpectedly with a spectacular sea voyage.

Close to Hugh Marina Endicott 2015-05-26 *Close to Hugh* takes an exuberantly existential look at youth and age, art and life, love and death over one week in the world of gallery-owner Hugh Argyll. On Monday, a fall from a ladder leaves Hugh with a fractured vision of the pain—dying parents, shaky marriages,

failure of every kind—suffered by those close to him. His friends are one missed ladder-rung from going under emotionally, physically, and financially. Somebody's got to fix them all. And it probably has to be Hugh. Meanwhile, beneath the adult orbit, bright young lives are taking form: the sons and daughters of Hugh's friends are about to graduate from high school and already floating away from the gravitational pull of their parents. As complicated bonds form and break in texts and ticks on multiplying media, the desires, terrors, and revelations of adolescence are mirrored in the second adolescence of the adults. With insight and mastery, Endicott creates surprising parallel worlds. Her ear for the cadences and concerns of two generations gives us both sets of friends on the cusp of reinvention. And as always in Endicott's multi-layered fiction, below the surface tragicomedy lies something profound: a rare and rich perspective on what it means to fall and rise and fall

again—and what in the end we owe to those we love.

The Voyage of the Morning Light: A Novel Marina Endicott
2020-06-02 From a critically acclaimed and beloved storyteller comes a sweeping novel set aboard the Morning Light, a Nova Scotian merchant ship sailing through the South Pacific in 1912. Kay and Thea are half-sisters, separated in age by almost twenty years,

but deeply attached. When their stern father dies, Thea travels to Nova Scotia for her long-promised marriage to the captain of the Morning Light. But she cannot abandon her orphaned young sister, so Kay too embarks on a life-changing journey to the other side of the world. At the heart of The Voyage of the Morning Light is a crystallizing moment in Micronesia: Thea, still mourning a miscarriage, forms a bond with a young boy from a remote island and takes him on board as her own son. Over time, the repercussions of this act force Kay, who considers the boy her brother, to examine her own assumptions—which are increasingly at odds with those of society around her—about what is forgivable and what is right. Inspired by a true story, Marina Endicott shows us a now-vanished world in all its wonder, and in its darkness, prejudice, and difficulty, too. She also brilliantly illuminates our present time through Kay's examination of the idea of "difference"—between people, classes, continents, cultures,

Germans and the anarchists. Socialists and monarchists, Republicans and conservatives argue bitterly over the future of the nation while a new mass media has emerged with rival political newspapers to fan the flames of conflict. Cheerfully oblivious to the partisan turmoil is bourgeois lawyer François Dubon. Once a bit of a radical himself, he has artfully constructed a well-ordered existence running a genteel law firm, inherited from his father. He is married to Geneviève, an aristocratic wife from a celebrated military family, with whom he shares a young son and a comfortable, if passionless, marriage. For passion, he has his generous mistress Madeleine, who expects his company promptly at five o'clock daily and is prettily piqued if he is late. Then it's home to oblige his wife with his presence at dinner and at their myriad social engagements. It is a good life. But Dubon's complacent existence is shattered when a mysterious widow arrives at his office. The beguiling Madame

Duhamel entreats him to save a dear friend's innocent husband, an army captain by the name of Dreyfus who has been convicted as a spy. The widow's charms awaken his long-dormant radical streak, and Dubon agrees. Needing evidence to clear Dreyfus, Dubon pays a visit to the Statistical Section, a secretive bureau that he discovers is the seat of French espionage. Wearing his brother-in-law's military uniform in the hopes of blending in, Dubon gets more than he bargained for when mistaken for a temporary clerk. He soon finds himself spying on the spies, tantalizingly close to the documents that he's increasingly certain were forged to incriminate Dreyfus. Dubon begins to live a double life in order to crack this case, employing his affable demeanour to masquerade as a military intelligence officer by day, while by night he still frequents the high-society parties where the chattering class is much preoccupied with the Dreyfus Affair. The trouble is, Dubon can no longer avert

his gaze from the ugliness that lurks beneath French society's veneer of civility. He comes to realize, at some personal jeopardy, that nobody is quite as they seem when power is at stake. The real-life Dreyfus affair was a seismic event in French history, exposing latent tyranny within its government and fierce anti-Semitism at all levels of society. With elegance, humour and keen perception, Kate Taylor brilliantly mines this rich source material in her page-turning historical spy novel, demonstrating how brittle a society's standards of justice and civility can be, in times of national panic.

I, Tituba, Black Witch of Salem Maryse Condé 2009 This wild and entertaining novel expands on the true story of the West Indian slave Tituba, who was accused of witchcraft in Salem, Massachusetts, arrested in 1692, and forgotten in jail until the general amnesty for witches two years later.

Maryse Condé brings Tituba out of historical silence and creates for her a fictional childhood, adolescence, and old age. She turns her into what she calls "a sort of female hero, an epic heroine, like the legendary 'Nanny of the maroons,'" who, schooled in the sorcery and magical ritual of obeah, is arrested for healing members of the family that owns her. homegrown in North America but ignored at our peril. In 2004, almost 20 years after the fatal bombing of Air India Flight 182 from Vancouver, two suspects are—finally—on trial for the crime. Ashwin Rao, an Indian psychologist trained in North America, comes back to do a “study of comparative grief,” interviewing people who lost loved one in the attack. What he neglects to mention is that he, too, had family members who died on the plane. Then, to his delight and fear, he becomes embroiled in the lives of one family that remains unable to escape the undertow of the tragedy. As Ashwin finds himself less and less capable of providing the objective advice this particular family seeks, his surprising emotional connection to them pushes him to face his own losses. The Ever After imagines the lasting emotional and political consequences of a real-life act of terror, confronting what we might learn to live with and what we can live without. Curiosity Joan Thomas

2010-03-30 Award-winning novelist Joan Thomas blends fact and fiction, passion and science in this stunning novel set in 19th-century Lyme Regis, England — the seaside town that is the setting of both *The French Lieutenant's Woman* and *Jane Austen's Persuasion*. More than 40 years before the publication of *The Origin of Species*, 12-year-old Mary Anning, a cabinet-maker's daughter, found the first intact skeleton of a prehistoric dolphin-like creature, and spent a year chipping it from the soft cliffs near Lyme Regis. This was only the first of many important discoveries made by this incredible woman, perhaps the most important paleontologist of her day. Henry de la Beche was the son of a gentry family, owners of a slave-worked

As an adolescent back in England, he ran away from military college, and soon found himself living with his elegant, cynical mother in Lyme Regis, where he pursued his passion for drawing and painting the landscapes and fossils of the area. One morning on an expedition to see an extraordinary discovery — a giant fossil — he meets a young woman unlike anyone he has ever met...

Hardev Dange is suffering through a tumultuous year. He's just been informed that the bank is going to foreclose on his house. His fickle daughter Birendra is on the verge of marriage, his son Emile is studying curses (while falling in love with a fellow male grad student), and his younger daughter, Dorothy, who's deaf, is working at a tattoo and body piercing parlour and collecting stories from the older men languishing at her local hangout. And because he's confined to a wheelchair, Hardev is dependent on his homecare worker, the kleptomaniac Rodriguez, to help him devise a plan to keep house and home together. In this modern, multicultural re-telling of King Lear, Uppal explores the vulnerability and

complexity of family and inheritance. She exposes the tragic and comedic dimensions of our failures to communicate and the consequences of our betrayals, which result in disappointment and disillusionment, but also, unexpectedly, in moments of compassion and love.

With every passing day, Ellie’s hopes are buried deeper in the harsh winter snows. When Eric finds Hannah Finch, the girl across the road, wandering alone in the bitter cold, his rusty police instincts kick in, and he soon discovers there are bad things happening in the girl’s house. With nowhere else to send her, the Nylands reluctantly agree to let Hannah stay with them until she can find a new home after the Christmas holidays. But Hannah proves to be more balm than burden, and the Nylands discover that the only thing harder than taking

Hannah in may be letting her go.

The Opening Sky Joan Thomas 2015-10-06 "Thomas is often compared to Carol Shields, Meg Wolitzer and Jonathan Franzen, but really slips into a category by herself [in *The Opening Sky*]. . . . [She] takes narrative risks [and] offers no typical solutions. But these risks are the most beautiful: they are the risks worth taking. This is a book worth reading." --Winnipeg Free Press A stunning character-driven novel about the human desire to do the right thing, and the even stronger desire to love and to be seen for who we truly are. Deeply felt, sharply observed, and utterly engaging. Liz, Aiden, and Sylvie are an urban, urbane, progressive family: Aiden's a therapist who refuses to own a car; Liz is an ambitious professional, a savvy

traveler with a flair for decorating; Sylvie is a smart and political 19 year-old, fiercely independent, sensitive to hypocrisy, and crazy in love with her childhood playmate, Noah, a bright young scientist. Things seem to be going according to plan. Then the present and the past collide in a crisis that shatters the complacency of all three. Liz and Sylvie are forced to confront a tragedy from years before, when four children went missing at an artists' retreat. In the long shadow of that event, the family is drawn to a dangerous precipice.

Waiting for the Man Arjun Basu 2014-04-15 An advertising man searches for meaning in this "fascinating dissection of the media world we live in . . . A thought-provoking road-trip tale" (Chicago Tribune). Longlisted for the Scotiabank Giller Prize In his mid-thirties, Joe works as an advertising copywriter for a slick New York agency. But he feels disillusioned with his life, and finds himself experiencing dreams about a mysterious

man, seeing him on the street, hearing his voice. Joe decides to listen. So he waits on his stoop, day and night, for instructions. A local reporter takes notice, and soon Joe has become a media sensation, the center of a storm. When the Man tells Joe to “go west,” he does. What follows is a compelling and visceral story about the struggle to find something more in life, told in two interwoven threads—Joe at the beginning of his journey in Manhattan, and at the end of it as he finds new purpose on a ranch in Montana under the endless sky. “A strangely engrossing, meticulously written allegory of the present moment.” —Douglas Coupland, author of *Worst. The Little Shadows Marina Endicott 2012 *The Little Shadows* tells the story of three sisters making their way in the world of vaudeville before and during the First World War. Setting off to make their fortune as a singing act after the untimely death of their father, the girls, Aurora, Clover and Bella, are overseen by their fond but barely coping Mama. The girls begin with little besides youth and hope but evolve into artists as they navigate their way to adulthood among a cast of extraordinary characters - charming charlatans, unpredictable eccentrics, and some who seem ordinary but have magical gifts. Marina Endicott lures us onto the brightly lit stage and into the little shadows that lurk behind the curtain, and reveals how the art of vaudeville - In all its variety, madness, melodrama, hilarity and sorrow - echoes the art of life itself.

of our most critically acclaimed and beloved storytellers comes a sweeping novel set on board the Morning Light, a Nova Scotian merchant ship sailing through the south pacific in 1912. Kay and Thea are half-sisters, separated in age by almost twenty years, but deeply attached. When their stern father dies, Thea returns to Nova Scotia for her long-promised marriage to the captain of the Morning Light. But she cannot abandon her orphaned young sister, so Kay too embarks on a life-changing voyage to the other side of the world. At the heart of The Difference is a crystallizing moment in Micronesia: Thea, still mourning a miscarriage, forms a bond with a young boy from a remote island and takes him on board as her own son.

Over time, the repercussions of this act force Kay, who considers the boy her brother, to examine her own assumptions--which are increasingly at odds with those of society around her--about what is forgivable and what is right. Inspired by a true story, Endicott shows us a now-vanished world in all its wonder, and in its darkness, prejudice and difficulty, too. She also brilliantly illuminates our present time through Kay's examination of the idea of "difference"--between people, classes, continents, cultures, customs and species. The Difference is a breathtaking novel by a writer with an astonishing ability to bring past worlds vividly to life while revealing the moral complexity of our own.
