Spatial Modeling in GIS and R for Earth and Environmental Sciences Hamid Reza Pourghasemi 2019-01-18 Spatial Modeling in GIS and R for Earth and Environmental Sciences offers an integrated approach to spatial modelling using both GIS and R. Given the importance of Geographical Information Systems and geostatistics across a variety of applications in Earth and Environmental Science, a clear link between GIS and open source software is essential for the study of spatial objects or phenomena that occur in the real world and facilitate problem-solving. Organized into clear sections on applications and using case studies, the book helps researchers to more quickly understand GIS data and formulate more complex conclusions. The book is the first reference to provide methods and applications for combining the use of R and GIS in modeling spatial processes. It is an essential tool for students and researchers in earth and environmental science, especially those looking to better utilize GIS and spatial modeling. Offers a clear, interdisciplinary guide to serve researchers in a variety of fields, including hazards, land surveying, remote sensing, cartography, geophysics, geology, natural resources, environment and geography Provides an overview, methods and case studies for each application Expresses concepts and methods at an appropriate level for both students and new users to learn by example

Mafatih Al-Jinan: a Treasury of Islamic Piety (Translation and Transliteration) Shaykh Qummi 2018-08-10 The is a book of prayers and devotional observances. Among the religious traditions of humanity the Imami Shi'ah tradition within Islam is unmatched in its rich corpus of devotional texts (du'a and ziyarah literature) handed down from the original leaders of the faith, the Prophet Muhammad and the Imams of his family, the Ahl al-Bayt. The Mafatih al-Jinan is the most popular manual of Islamic devotional observances and prayer-texts by Shaykh Abbas Qummi, which draws its contents from well-known, reliable sources. As a manual of devotional literature, the Mafatih al-Jinan follows a long tradition established by the Misbah al-Mutahajjid of Shaykh Tusi (d. 460/1067) and followed up in the works of Sayyid Ibn Tawus (d. 664/1265), Kaf'ami (d. 905/1499) and others. Most of the contents of the Mafatih are drawn from these earlier works. Since its publication, the Mafatih has enjoyed an uncontested popularity among Farsi-speaking Muslims, and its Arabic and Urdu versions are widely used by the devout in the Arab world and the Indian subcontinent.

Walking on the Costa Blanca Terry Fletcher 2015-10-20 This guidebook describes 50 circular walks and scrambles exploring the Costa Blanca mountains, around the resorts of Alicante, Benidorm and Calp. These routes range from gentle strolls to demanding days with steep climbs, and from 3-20km in distance. The Mediterranean coast is one of Europe's most popular winter sun adventure destinations. In general UK visitors are best suited to the heat from late autumn to early spring. Beyond the beaches and high rises lies a completely different world of accessible, rocky mountains and knife-edge ridges that stretch away in long chains of gleaming white limestone pinnacles, and the range of walks ensures that everyone can enjoy this spectacular Spanish landscape. Walking on Costa Blanca also includes background information on local geology, wildlife and history, and planning details on where to go, where to stay and what to take.

Afghanistan under Soviet Domination, 1964-91 Anthony Hyman 2016-07-27 The book offers a clear, authoritative and readable guide to the modern history of Afghanistan. This remote land made up of many tribes and ethnic peoples on the borders of Central Asia became a focus of Superpower rivalry and international intrigue after the Soviet invasion in 1979. This book shows how Afghanistan's traditional society has been profoundly shaken up in a cruelly destructive war, causing the world's biggest refugee problem and a chronic instability which threatens the wider region.

My Life with the Taliban Abdul Salam Zaeef 2010-01-01 This is the autobiography of Abdul Salam Zaeef, a senior former member of the Taliban. His memoirs, translated from Pashto, are more than just a personal account of his extraordinary life. My Life with the Taliban offers a counter-narrative to the standard accounts of Afghanistan since 1979. Zaeef describes growing up in rural poverty in Kandahar province. Both of his parents died at an early age, and the Russian invasion of 1979 forced him to flee to Pakistan. He started fighting the jihad in 1983, during which time he was associated with many major figures in the anti-Soviet resistance, including the current Taliban head Mullah Mohammad Omar. After the war Zaeef returned to a quiet life in a small village in Kandahar, but chaos soon overwhelmed Afghanistan as factional fighting erupted after the Russians pulled out. Disgusted by the lawlessness that ensued, Zaeef was one among the former mujahidin who were closely involved in the discussions that led to the emergence of the Taliban, in 1994. Zaeef then details his Taliban career as civil servant and minister who negotiated with foreign oil companies as well as with Afghanistan's own resistance leader, Ahmed Shah Massoud. Zaeef was ambassador to Pakistan at the time of the 9/11 attacks, and his account discusses the strange "phoney war" period before the US-led intervention toppled the Taliban. In early 2002 Zaeef was handed over to American forces in Pakistan, notwithstanding his diplomatic status, and spent four and a half years in prison (including several years in Guantanamo) before being released without having been tried or charged with any offence. My Life with the Taliban offers a personal and privileged insight into the rural Pashtun village communities that are the Taliban's bedrock. It helps to explain what drives men like Zaeef to take up arms against the foreigners who are foolish enough to invade his homeland.

Dining with al-Qaeda Hugh Pope 2010-03-16 Following in the footsteps of Sir Richard Burton and Lawrence of Arabia, Hugh Pope presents his modern-day explorations, mined from more than three decades, of the politics, religion, and aspirations of Muslim peoples to show how the Middle East is much more than a monolithic "Islamic World." An Oxford-educated scholar of the Middle East and acclaimed former foreign correspondent for The Wall Street Journal, Pope has lived and worked in two dozen countries throughout the region. In eighteen revealing chapters, he delves into the amazingly varied cultures ranging from the south of Sudan to Afghanistan and from Islamabad to Istanbul. His probing and often perilous journeys--at one point during a meeting with an al-Qaeda missionary, Pope is forced to quote Koranic verse to argue against his own murder--provide an eye-opening look at diverse societies often misrepresented by superficial reporting and "why they hate us" politics. With intimate and personal anecdotes arising out of experiences from war fronts to bazaars to the palaces of kings, Pope weaves a rich narrative that embraces art, food, poetry, customs, and the competing histories of the Middle East. Merging the traditions of the classics Balkan Ghosts and From Beirut to Jerusalem, Dining with al-Qaeda illuminates an infinitely complex part of the world. With U.S. foreign policy aiming to engage more constructively with

Muslim nations, this lyrical book of adventures collects some of the truly important untold stories of our times.

Keeping history alive Cassar, Brendan 2015-12-31

Kamaaluddin Wa Tamaamun Ni'ma Shaykh As-saduq 2017-10-24 Now it is about 12 centuries passed from Imam Mahdi's hidden life, and the bothering time of his hidden life will continue up to his reappearance. According to imam Ridha (as), Imam's reappearance will be extended to the day of Doom, no one knows this but God, it is hard to people and it will happen suddenly. Therefore, any investigation to find the exact time of his reappearance is fruitless and our duty is to wait. The meaning of "waiting for" is to desire his reappearance desperately and looking forward to his reappearance; this waiting results from faith and it is rewarded. In addition, it has spiritual values. Waiting for him, like other religious practices, has practical aspects which is pointed out by our infallibles. Following infallibles' orders in this regard is the duty of people who live in the time of his hidden life. The book deals with the personality of the Hidden Imam, his occultation and everything related to him in an analytical and systematic manner and is penetrating in its subject and exceptional in its domain. Shaikh Saduq has presented strong arguments from the life-story of the Prophets regarding their occultation [ghaibah] to prove the occultation of the Twelfth Imam; and Ahadith have been quoted extensively from the Holy Prophet sawa and the Infallible Imams in support of the writer's contentions.

Economics and Modern Warfare Michael Taillard 2018-06-13 This book demonstrates how economic tools have been used throughout history to accomplish goals of military conflict, how they can be used more effectively than traditional means of warfare in the modern era, and how we can derive a better understanding of economic strategy applicable not just to the military but also to market competition. This new edition includes a thorough updating of chapters on advances in our understanding of economic warfare and more recent examples, such as ISIS's reliance on obtaining control over oil production facilities, North Korea's nuclear program, and China's emphasis on scientific research and technological innovation. This edition also features an entirely new chapter on the commercialization of the conflict over the region of Kashmir.

A Probe Into the History of Ashura Dr. Ibrahim Ayati 2014-10-28 The tragedy of Karbala is an unparalleled event of the history of mankind. The great sacrifice made by Imam Husayn, the grandson of the Holy Prophet, on Āshura (the 10th of Muharram 61 A.H.) and the steadfastness shown by him is a beacon light for everyone, who has faith in his mission and is keen for its success.

I Can Finally Hear Birds Nancy Chovancek 2013-02-07 Have you ever given consideration to what it would be like to be deaf? Not hearing a single sound. Sure, it's quiet in your house, but you still hear sounds. I would like to think the sensation would be equitable to being underwater, but that would not be a true statement. You can still hear things while being underwater: Waves swishing and people talking above the water - yelling or laughing. Deafness is pure silence. When something big drops to the floor, I "feel" the thump it made. When my dogs bark, I can't hear them, but if they jump on my bed while I'm sleeping, I can feel they are present to wake me for a incoming visitor, burglar, tornado or other natural disaster. This book is a candid, and comical view about hearing loss, Meniere's Disease, vertigo, and the process of undergoing cochlear implant surgery. It also goes into depression and coping mechanisms for all of the above. It is a MUST read for someone or anyone you know (possibly yourself, but you won't admit it), who may be suffering from hearing loss. Progressive hearing loss is subtle. The sounds we often take for granted you no longer hear. Pay attention to your surroundings next time you are outside. Can you still hear the birds?

Wild Cats IUCN/SSC Cat Specialist Group 1996 Presents the most comprehensive and up-to-date information available on the 36 wild cats of the world. It includes the first published collection of detailed range maps and some of the first photographs of rare species in the wild. It provides a thorough review of major issues in cat conservation such as habitat loss and management of big cats in livestock areas; field and laboratory research; international trade; the role of zoos; and reintroduction. High priority are identified to further the cause of cat conservation.
