Clearly Now, the Rain Eli Hastings 2013-05-01

This memoir of a relationship with a self-destructive woman is “as elemental, lyrical and cringe-inducing a love story as they come” (Kirkus Reviews). Suspenseful, darkly funny, and devastating, this is Eli Hastings’s true story of his troubled, decade-long relationship with his friend Serala. At family events, Serala wore saris and ate delicately from plates of curry. But elsewhere, she wore a lip ring, designer shades, and a cowboy hat; would regularly drink frat boys under the table; would sleep less than five hours a week; and would place herself in dangerous situations for another bag of heroin. Serala's complex character and seemingly haphazard choices are brought to vivid life, from ill-advised quests for narcotics in Mexican border towns to unplanned fifty-hour road trips from LA to New York City. Although her dark and traumatic journey concluded tragically at age twenty-seven, Hastings writes with a sense of hope and

tenderness in this “drug, romance and adventure-filled” memoir of their unique relationship (The Seattle Times). “An unflinching account of how it feels to be young and flirting with the abyss in America. The narrator’s observations as he and his friends ride rough across the U.S.A., all pulled to orbit around their friend, lover, and lost soul, Serala, are also an investigation into the dangerously different ways that people respond to addiction. This is an elegy, yes, as if told by a boy who began his quest tutored by Kerouac’s ghost, but became, on this hard road, a man schooled in love by the spirit of the Dalai Lama.” —Rachel Rose, author of *Giving My Body to Science*

Musical Chairs Amy Poeppel 2020-07-21 “A fiercely funny tale of family, friendship, and later-in-life love.” —People “Poeppel has created a story that is well thought out, well plotted, well

written, and fully developed. A delightful novel that celebrates the messiness and joy to be found in real life.” —Kirkus Reviews (starred review) “A hilariously heartfelt, witty novel.” —Woman's World The “quick-witted and razor-sharp” (Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six*) author of *Limelight* and *Small Admissions* returns with a hilarious and heartfelt new novel about a perfectly imperfect summer of love, secrets, and second chances. Bridget and Will have the kind of relationship that people envy: they're loving, compatible, and completely devoted to each other. The fact that they're strictly friends seems to get lost on nearly everyone; after all, they're as good as married in (almost) every way. For three decades, they've nurtured their baby, the Forsyth Trio—a chamber group they created as students with their Juilliard classmate Gavin Glantz. In the intervening years, Gavin has gone on to become one of the classical music world's reigning stars, while Bridget and Will have

learned to embrace the warm reviews and smaller venues that accompany modest success. Bridget has been dreaming of spending the summer at her well-worn Connecticut country home with her boyfriend Sterling. But her plans are upended when Sterling, dutifully following his ex-wife's advice, breaks up with her over email and her twin twenty-somethings arrive unannounced, filling her empty nest with their big dogs, dirty laundry, and respective crises. Bridget has problems of her own: her elderly father announces he's getting married, and the Forsyth Trio is once again missing its violinist. She concocts a plan to host her dad's wedding on her ramshackle property, while putting the Forsyth Trio back into the spotlight. But to catch the attention of the music world, she and Will place their bets on luring back Gavin, whom they've both avoided ever since their stormy parting. With her trademark humor, pitch-perfect voice, and sly perspective on the human heart, Amy Poeppel crafts a love letter to modern family

nights-embrace-others-of-seattle-1-brandy-l-rivers

life with all of its discord and harmony. In the tradition of novels by Maria Semple and Stephen McCauley, *Musical Chairs* is an irresistibly romantic story of role reversals, reinvention, and sweet synchronicity.
