Gabon International Monetary Fund. African Dept. 2015-02-25 This 2014 Article IV Consultation highlights that Gabon's growth performance has recently been strong, but fiscal pressures have increased significantly. Real GDP growth has averaged about 6 percent in the last four years on the back of substantial scaling-up of capital spending as the authorities implement their strategy Plan Stratégique Gabon Emergent to promote economic diversification and growth inclusiveness. The medium-term growth outlook

has weakened as a result of the sharp decline in oil prices, but is expected to remain relatively strong. Growth is expected to be driven by a number of projects under way in agro-industry, mining, and wood processing.

Financial & Managerial Accounting Carl S. Warren 2016-09-14 Give your students a solid foundation in core accounting concepts while helping learners develop a true appreciation for why accounting is important to business and a prosperous society. Warren/Reeve/Duchac's FINANCIAL AND MANAGERIAL ACCOUNTING, 14E clearly demonstrates how accounting is much more than simply data and black and white rules. Instead, students see how accounting provides key information used to make critical business decisions. A new chapter schema provides context for how each chapter's content fits into the big picture. The book focuses on why accounting is important and consistently reinforces connections to the big picture by connecting journal entries to the accounting equation. Fresh organization progresses from the simplest to the more complex topics with reorganized and fully integrated coverage of the new Revenue Recognition standard, reorganized coverage of adjustments, and reorganized managerial accounting chapters Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Essentials of Accounting for Governmental and Not-for-Profit Organizations

Paul Copley 2017-01-25 Copley's Essentials of Accounting for Governmental and Not-for-Profit Organizations, 13e is best suited for those professors whose

objective is to provide more concise coverage than what is available in larger texts. The main focus of this text is on the preparation of external financial statements which is a challenge for governmental reporting. The approach in this edition is similar to that used in practice. Specifically, day to day events are recorded at the fund level using the basis of accounting for fund financial statements. Governmental activities are recorded using the modified accrual basis. The fund-basis statements are then used as input in the preparation of government-wide statements. The preparation of government-wide statements is presented in an Excel worksheet. NEW for the 13th edition is McGraw-Hill Connect, a digital teaching and learning environment that saves students and instructors time while improving performance over a variety of critical outcomes.
